\*\*\***Accent Door Options:** Front door and garage door may be painted either the body color or the trim color of the approved Color Scheme. The Garage Door must be one solid color. If Tudor Brown, Charleston Brown, or Black is an approved Accent Color for your Color Scheme, you may also paint your garage door one of these colors. In addition, **only one accent color may be used on your home.** As an example, if you choose to paint your garage door Tudor Brown, you can only paint your front door Tudor Brown or the approved body or trim color of the Color Scheme. **NOTE: Garage doors may NOT be painted Cottage Red, Rave Red or Loyal Blue.** Feel free to call the Clubhouse (561-793-1715) for clarification.

1. The "Color Board" is available for all to view at the Clubhouse. This Board may not be removed by any Homeowner, Board Member, or Management Company, etc.
2. Every effort was made for accuracy regarding color chart. It is up to each Homeowner to verify the color.
3. Village Property Managers or Village Architectural Review Committees must confirm that they have verified the following information on the Homeowner's Architectural Change Application: the color requested is within the approved Color Scheme for their Village and the Homeowner's roof color.
4. Homeowners must provide copies of their survey and lot (location) map. Failure to do so will delay the Madison Green Master approval process at least two (2) weeks.
5. **Painting may NOT begin until it is approved by the Madison Green Master ARC. The original copy of the Architectural Change Application with a letter of approval must be received by the Homeowner before painting begins. A sample of the approved colors choices will be stapled to the approval letter. You must match the color samples attached to the approval letter to avoid a mismatch in color.**

NOTE: You are free to buy your paint and supplies anywhere.
