1. The “Color Board” will be available for all to view at the Clubhouse. This Board may not be removed by any Homeowner, Board Member, or Management Company, etc. We also have a link on the madisongreen.net website under ARC to view the approved paint colors and you can also view the colors on the Sherwin Williams website under HOA Communities.
2. Every effort was made for accuracy regarding color chart. It is up to each Homeowner to verify the color.
3. Village Property Managers or Village Architectural Review Committees must confirm that they have verified the following information on the Homeowner’s Architectural Change Application: the color requested is within the approved Color Scheme for their Village and the Homeowner’s roof color.
4. Homeowners must provide copies of their survey and lot (location) map. Failure to do so will delay the Madison Green Master approval process at least two (2) weeks.
5. **Painting may NOT begin until it is approved by the Madison Green Master ARC. The original copy of the Architectural Change Application with a letter of approval must be received by the Homeowner before painting begins.**
